

June 2016 IT'S ABOUT TIME

President:
Clint Harris

Vice President:
Gary Myers

Treasurer:
John Stewart

Secretary:
Bob Berghuis

Directors:
Dale Koepke
Mark Smith
Jerry Cooper

Monthly Meetings:
Traditionally Sundays at
Edmonds Senior Center
220 Railroad Ave.
Edmonds, WA
12:30pm Mart
1:30pm Meeting
2:00pm Program

We've almost reached the halfway point of the year. **Our next meeting will be at the Edmonds Senior Center, Sunday June 12th beginning at 12:30pm.** The Program will feature Gordon Rottinghaus' presentation of the E. Howard Street Clock.

The following meeting will occur on July 10th in the Edmonds Senior Center. It will be a multi-chapter meeting for Chapter 50, Chapter 135, & the Washington Watchmakers – Clockmakers Association. The program will be presented by Mark Smith on "The Many Innovations of Breguet".

The West Coast Clock & Watch Museum has completed their move from Bellingham to Vista, California. They are located at the Antique Gas & Steam Engine Museum. The grand opening will occur on Saturday, June 18th, 2016 at 10:30am. For many this will provide an excellent opportunity to combine their interest in railroads & railroad timekeeping in one sunny location & give a good excuse for a winter vacation. Their website is at <http://agsem.com/exhibits.php>

Our last meeting was on April 10th. Cecilia Dunn was our featured presenter. She gave a fascinating presentation on the Life of a Horologist that kept attendees glued to their seats well after the time of the scheduled conclusion.

Our thanks go to Gary Myers who provided the food.

We are looking for volunteers who can work a shift at the Puyallup Fair booth sponsored by NAWCC Chapter 50 & 135 during the September 2-25 time frame.

We received word that member Anton Larsen passed away.

In our last meeting we welcomed guests: Chris Thompson, Claire Van Der Sluis, Sharon Euster, Richard Crosier, Joel Hamel, Stefan & Krystyne Swierczynsko.

Our 2016 PNW Regional in Tacoma came to a successful conclusion. Under Jack Goldberg's experienced direction with outstanding help from Chet Ekstrand, Dick Krueger, & support from a small army of volunteers the Regional ran smoothly. Our appreciation goes out to them for all of their hard work which allowed us to return a profit.

We are looking for new volunteers to plan & support our next Regional in Tacoma in 2018 as Jack, Chet, & Dick turn over their responsibilities to give others opportunities to participate. Please let us know how you will be able to contribute. We cannot pull this off without your invaluable assistance.

Some of the great displays are shown below.

The Edmonds Senior Center is about 100 yards south of the Edmonds-Kingston Ferry Dock off of Highway 104. Just take the Edmonds exit from I-5, west following the signs to the ferry. There is a fair-sized parking lot. The meeting room is on the 2nd Floor (there is an elevator).
