## January 2012 News

The New Year is well underway, and Chapter 50 has had one interesting meeting, and your officers are excited about the prospects ahead! Our January 8th meeting was attended by 45+ members and friends, and included great treats provided by Donalee Payne, and a great program on cutting clock gears by CNC by Clint Harris. Our paid chapter membership stands at 50, with several more that we need to catch up with. Let's make 2012 a memorable year (for all the GOOD reasons)!!!!

As I write this, its 25 degrees outside, freezing rain has been falling all day & the power was out for about 6 hours last night. My hope is that you are all SAFE and have been able to stay warm through this winter storm!!

### From the President's Desk

I wanted to thank everyone who attended our January meeting for their time and energy. We had over 40 members and guests in attendance! Clint Harris' program on CNC gear cutting was a HUGE hit. Way to start 2012!

A few notes:

Meeting Programs - We're still in need of both presentation ideas and presenters for our upcoming meetings. Please be sure you're helping us be aware of new presentation opportunities and resources. We do not have a presentation planned for February's meeting so it might be a short one! (Or it'll be show and tell.)

Awards Committee - We need an Awards Committee! This committee is critical to our recognition of members who are continually pushing the boundaries of NAWCC's knowledge cache. We've got lots of very smart, accomplished members who need their recognition. Please see me at the next meeting to sign up.

New Membership Committee - At our last meeting I indicated the need to get a few good ideas going to help grow our membership. I'd like to get 3 to 4 members to help me kick around a few new ideas on how to promote both our Chapter and NAWCC. Please sign up by contacting me by email so we can ensure our love of both watches and clocks is extended to those who share our passion for horology. 50:50 Draw - At our February meeting we'll be giving away money! Yes. Money! As a way to both increase our attendance and add to our treasury we'll be selling 50:50 raffle tickets. The winner gets 50% of all the proceeds, our treasury the other half. Chapter 121 has been partaking in this draw and have been very successful with it.

Be sure to save the date and time of our next meeting – Sunday, February 12. It'll be too much fun! ;-)

Mark Smith, President

## Pacific Northwest Regional

# **Pacific Northwest Regional** **March 30, 31, & April 1, 2012**

**SUNDAY**  
**Public Day!**

*Featuring: MILITARY TIMEPIECES*

We all need to start planning ahead for the Pacific Northwest Regional coming March 30, 31 & April 1st. This is a couple months earlier than previous Regionals, and I know it will sneak up on all of us. Now is the time to sort out those "treasurers" to bring to the Mart.

The Regional will be held again at the Kent Commons which has great facilities, and promises to be a great event.

A copy of the Registration Form will be attached for your convenience. Get your registration in early to assure your place in this great Regional!!

As an added convenience for Chapter 50 members, you will be able to pre-register for the Regional at our next Chapter meeting, February 12th!

## 2012 Chapter Dues

We now have 50 members who have paid their dues for 2012, but we still have a number of folks who have not yet contributed their dues. We hope that we can count on you all to support your Chapter. If you have not yet paid your dues (\$15 per year), you can mail a check to Ron Kowalski, 3681 S. Heather Place, Bellingham, WA 98226, or pay at the next meeting. Thanks!

## Chapter 50 Officers

We want to make sure that members are able to contact our officers and those in charge of various functions. So, here for your convenience is contact information.
