Exhibit Request

Our Keynote Speaker is Bob Frishman who contributes to each Bulletin an article on "Horology in Art".

Our exhibit is going to be "The Art in Horology"

We have identified a number of areas that fit the category of "The Art in Horology" and are beginning to solicit items that could be part of the exhibit. If you have an item/items that fit any of the following categories, we would like for you to submit a photo (digital or print) with some basic information, including dimensions, to Paul Middents at paulmiddents@nawcc50.org

The actual exhibit may use either the actual item or a photograph.
